Havelock North March 2010

Puppet Show

Our puppet show was enjoyed by all the children, especially the big kiwi bird! The children had a great time dancing, singing and acting with the pukeko, duckling, possum and kiwi puppets to name but a few. The teachers had a puppet workshop the evening before and there was great hilarity as the teachers brought the puppets to life! We made several purchases from the array of wonderful puppets on offer so the children will see many new puppet characters in the centre soon.

Napier Fire Station

Thanks to all the parents who came on the fire station trip. We had a fantastic time learning all about fire safety and discovering how the fire fighters dress and what the trucks look like inside. It was a hot day but we stayed cool when Flash and Mark showed us how to use the high pressure water hoses. To top off a great morning, we had a picnic lunch at the park.

Sports Day

Thanks to all the support we received for the sports day it was a

huge success. We love the help we get from our parents it makes these days possible, and it's always good to have a laugh with parents trying the egg and spoon race! It's always cool to see what our children are capable of. Thanks also to Sports Hawke's Bay for their help on the day.

Upcoming Events

Bronson's last day will be on Friday 16th April. We will be having a cooked lunch and a dress up day. Further details will be advised at a later date.

We are also planning a trip to the orchard. Dates to be advised.

Teacher only day

Last Saturday the teachers and support staff all took part in a teacher only day. The morning was spent looking at procedures and looking at what we want to achieve in our centres. In the afternoon we all participated in a photo competition where we had to read clues and photograph different areas of Napier.

We had a lot of laughs and by the end of the afternoon were all moving a bit more slowly than we had begun!

ICT

An ICT agreement is out for all parents/whanau to read and sign. This is a very exciting step and we would love to share your child's day with you in as many different ways as we can.

Happy Easter

We hope you all have a great Easter and look forward to seeing you all after the break.
