Te Mata Rd Newsletter - February 2010

Welcome to the year 2010!!! The Morepork team would like to welcome all our new families that have joined us during January and February. We hope that you will enjoy your time with us at Village Kids.

On the 10th of February we had a trip to the Strawberry patch which was enjoyed by all! The Children had a great time picking the strawberries and sampling their wares as they picked.

We also had time for ice-cream and made fruit kebabs with marshmallows for afternoon tea. There were so many strawberries the children all took some home with them.

Sadly we have also farewelled Luke, Olivia and Lucy. We wish them the best as they move onto their next adventures. Also Callum, Ruan and Natasha have transitioned into the Tui Room and are doing very well and enjoying their new friends and teachers.

A FEW REMINDERS:

The Havelock team of Village Kids is entering a team into the Relay 4 Life (if

you didn't already know!) and we would love to see you there this weekend supporting The Pink Ladies as they make their way around the track. Thank you for all your support with the children's disco and auction night, both fun nights and helped us raise money for the cancer society. All money raised stays in the Hawkes Bay with is fantastic!

Happy Birthday to Lucy, Jack, Shahad and Finn! These children have all turned 2 in the last month, and we had fun celebrating their special day with them.

We are having a Fish'n'Chip picnic in the park on 5th March. Amanda has put invites into all your pockets, so we hope to see you there.

Remember that we value your input into your child's learning and would love to see comments from you or friends and whanau in the 'Family Comments' box that is added to all learning stories. Learning stories are displayed on the whaariki by the fireplace so check there from time to time for the latest on your child!

Now that summer is making its last ditch effort to shine, we are having more water play.

Can there be 2-3 **named** changes of clothing in your child's bag. It would save mix-ups and lost items occurring.

Thank you from the Village Kids Team
